SIGNATURE

Sanctioned try-outs, which are covered by insurance, may start before the Sanctioned Season. A sanction must be requested for each site used. A team wishing to have sanctioned try-outs must first register its members as a team, and then request a sanction for try-outs. Once this sanction is granted, all participants (players and coaches) must be current registered USA Volleyball members.

My organization agrees to abide by all USA Volleyball and WEVA rules and policies for try-outs.

Signed: _____ (Club Representative) Date: _____

Please complete the additional information on back of form!

Only WEVA members may apply for try-out sanction. Applicant is to send one copy of this document (both sides) to the WEVA Sanction Coordinator. A copy of the document will be returned to the applicant with the action noted, and if approved, the sanction number for the try-out. **APPROVED SANCTION IS ESSENTIAL FOR INSURANCE COVERAGE!**
