

HOW TO SIGN UP FOR SAFESPORT

Go to the following site: <https://training.teamusa.org/store/details/1>

If you HAVE previously registered with SafeSport, select the RED “Sign In” button

If you HAVE NOT previously registered with SafeSport, select the YELLOW “Register” button

Fill out complete registration; be sure to add your WEVA membership number and then click on “Save”.

Write down your username and password for this training site, as you will need it later.

Dashboard page will come up.

Select STORE.

3rd class down will be SafeSport FREE

Double click name – SafeSport

Next page will tell you class is free

Double click “Add to bag”

Next page will show class selected with cost, continue by selecting “Checkout”.

Next page select “Activate”

Next page gives you info on your course, read and select “Launch Course”.

Where it says click next there is a red arrow at very bottom of page – click the “right arrow”.

Introduction will start, when finished select “right arrow” again.

Continue using “right arrow” as you progress through each section

You will see lessons 1-4 then a quiz. Continue until finished; you may stop and return as often as needed to finish.
