Junior Business (D’Errico & Weislo)

- High Performance Update: Tom talked with OVR, IREVA, & Chesapeake regarding their HP programs. Handout was presented with the benefits to having a HP program plus a rough outline that WEVA can start with. Board agreed we would move forward with starting the program with one Boys and Girls team each in the 14/15 age group. Tom is to establish the HP committee. The goal is to have a defined program in ~ 3 weeks

Motion: Have WEVA commit to starting a High Performance program with one team each from Boys and Girls ... 1st Lucci / 2nd Weislo / Passed (7-0-0)

- Recruiting Guidelines: Cindy mentioned that Mark Robinson sent out via e-mail an updated version of the recruiting and marketing of players policy he brought to the last Board meeting. Cindy has recruited the following people to be on the Junior Guidelines committee: Dale O'Dell, Robert Pierce, Mark Robinson (replacing Dave Tytler), and Rocco Lucci (until a replacement can be found). Cindy will review the recruiting portion of the Code of Conduct and merge some of the feedback from mark Robinson’s suggestions. This is to be sent out to the Junior Guidelines committee and, once finished, presented to the Board for vote

Officials Report (Hughes for Chase & Newland)

- Officials are being worked with/trained at a NFVB scrimmage and the Eden Erie Cup
- Officials with Jr. National and National potential are being worked with

Executive Review (Hughes & Seabridge)

- Need to develop a formal review process
- Finances: Stokes-Visca has been contracted to perform our payroll, taxes, and financial Administrator services. The use of the certified accounting firm will save us ~ \$600/year and ensures financial compliance. WEVA had a net income after expenses of \$19,122 which is the largest amount since WEVA was established as a 501C3 organization. Sold two of the Sportscourts for \$14,000. Overall WEVA had made ~ 3 times as much from the Sportscourts investment compared to the original cost to WEVA
- Facilities: Working with the Main Street Armory in having an acceptable (6 court) facility, with no financial responsibility to WEVA, for region use. Donated two net systems to Penfield High School because of the established relationship that allows WEVA to rent 5 courts at \$90/court/day (compared to the region average of \$275/court/day)
- Grants and Sponsorships: Need to establish a Grants & Sponsorship committee
- Official’s Development: Goal for 2009-2010 season was to upgrade the quality and quantity of the region’s officials through training. WEVA has more officials at a higher overall level compared to previous years
- Communications: The development of the web site and increased number of broadcast e-mails has improved the communication between the WEVA/Region office and its members.
- The overall service to WEVA’s members is much greater than neighboring regions. There are numerous requests for clubs to join WEVA but they are declined because they are from neighboring regions

New Business (All)

- John is to send out an e-mail regarding the Gary Adler scholarship
- WEVA will no longer support the Kaminna Allen scholarship

Next Meeting: Monday, March 14th at 6PM at TF Browns

Motion to adjourn meeting: 1st Majeski / 2nd Weislo / Passed (7-0-0)

Respectfully Submitted,
