

WEVA Team and Individual Travel Guidelines

WEVA recommends that each club create and enforce their own appropriate travel policy for individual players, teams and chaperones when traveling to USA Volleyball sanctioned events. WEVA will only enforce the guidelines deemed as policy, listed at the end of this document.

Everyone wants to have an enjoyable trip and in efforts to do this, everyone must adhere to some very basic policies. Both parents and players should review club policies to ensure that they have a complete understanding of the expectations that come with traveling as a member of a volleyball club in the WEVA region.

The club and its staff should take the responsibility of team travel with individuals or groups of young players extremely seriously. Clubs should have a zero tolerance policy for all players who violate any rule or code of conduct throughout the duration of the trip! From the moment a player arrives at the point of team assembly, to the moment team travel is complete, each player should be under the supervision of club staff, coaches, team chaperones or parents.

For most clubs in our region, players and parents need to understand that the overall purpose of each trip is to participate in a volleyball tournament. Team social activities, while not discouraged, will come second to tournament requirements.

The following list of travel policies are for informative purposes and may help in creating club travel policies when participating at “in region” and “out of region” tournaments. It is not intended to be a complete or definitive list and for the safety of our players, circumstances for any travel may require additional restrictions. This is merely a list of guidelines that clubs may opt to add to their own club travel policies.

Overnight Stays and Travel

The following expectations are those that WEVA has for all players when traveling with a WEVA team. The club and its staff are working hard to maintain a first class reputation; therefore, expectations for players are high. Those who fail to meet them will be subject to consequences that, depending on the severity of the infraction, may range from reprimand, to loss of playing time, to expulsion from the team.

General Conduct on the Road

1. Players will act in an appropriate manner at all times. This includes volume of voices, choice of words, course of actions, choice of dress, respect to property (e.g., hotel and airline items), etc.
2. Each player is expected to treat all other players, teammates, coaches, referees, and fans with courtesy and respect.
3. Players must be on time for all team commitments.
4. The club's, and USAV's Alcohol, Drug, and Tobacco Policy will be strictly enforced.
5. Any additional costs incurred while traveling will be charged to the player. This includes the replacement costs of misused or stolen hotel items
6. Teams will clean up their areas prior to leaving any tournament site.

Chaperones and Supervision

7. Players at overnight tournaments will be under the supervision of their parent or a designated team chaperone. Coaches, club staff or parent volunteers can be used as chaperones. The parents or team chaperone will work with the coach in arranging details related to any/all overnight tournaments.

Males are preferred as chaperones for boys teams and females are preferred for girls teams, to facilitate engagement with the all players.

8. At any tournament, all players are under the supervision of coaches, chaperones, and club representatives from the designated point of assembly. Even if a player's parents attend the tournament, players are expected to adhere to club & team rules.
9. Any club staff member, coach or chaperone is authorized to reprimand or discipline any player found to be in violation of club policies. ***Severe or flagrant violations of the club's travel policies may result in the player being sent home immediately at the parent's expense.***
10. Each player will keep their coach, chaperone, or team representative informed of their presence at all times. This rule applies for all local, regional and out-of-region tournaments.
 - At tournaments, players may be dismissed from team functions (playing site areas, hotel, team dinners, etc.) only if their coach permits it and their parent/chaperone is present and they ask permission from coach beforehand.
 - If they receive permission to be dismissed from a team function, the player must inform coach and/or chaperone where they will be and their approximate return time.

Hotel and Airport Policies

11. Curfew will be set on a nightly basis depending on the team's playing schedule.
12. Players will not disturb other hotel guests/airline passengers or hotel/airline staff.
13. At an airport (waiting at gate, walking around or at the baggage claim), players must always be in groups of two (2) or more.
14. Players must remember that they are not only representing their team, but also their volleyball club, their school, city and state. We want to be able to return to these tournaments, hotels and fly the airlines for future tournaments, so please think and act responsibly.
15. Club teams traveling to out of town tournaments that require an overnight stay will have their rooms booked by parents, the club or parent representatives. Players may not make their own hotel arrangements. (*WEVA Policy*)
16. If parents elect to stay at a different hotel, or with family or friends, it is their responsibility to make sure their daughter checks in with the club coach, chaperone or supervising parent at designated times or prior to all team assemblies.
17. Players (or groups of players) may not stay overnight in a hotel room unless a supervising chaperone or responsible parent is staying overnight in the same hotel. (Adjacent or same floor rooms are recommended) (*WEVA Policy*)
18. Within the hotel, players must always be in groups of two (2) or more.
19. Outside of the hotel, players must have an adult staff member (coach, parent, or chaperone) accompany them. **NO Player** (even if they are 18 years old) is allowed to leave the hotel property without an adult.
20. Players are not allowed in hotel rooms occupied by non-club members or persons of the opposite sex. Non-club members are not allowed in players' hotel rooms. Club parents are considered members.
21. Players should never give any stranger the name of the hotel the team is staying at or the room number of any club player, even someone who identifies himself/herself as a college coach.
22. While in the hotel rooms, players must not leave doors open or prop doors open with latches or other items

Vehicle Travel

23. When riding/driving in vehicles to and from events, all players **MUST** buckle their seat-belts. This rule also applies to any player riding/carpooling with other families/adults. (*WEVA Policy*)
24. Players 18 and under may drive themselves to and from an event but may not transport players from other families without an adult chaperone in the vehicle.

Waivers

25. If any of the above Hotel and Vehicle Travel Policies cannot be adhered to, parents must sign a waiver acknowledging their son/daughter's permission to travel to an event without an adult, to stay at a hotel without an adult, acknowledging there will be no supervision and releasing the club, the coach, the WEVA region and USA Volleyball from any and all liability. (*WEVA Policy*)
26. In the case of any waivers, club directors will need to verify the parents signature and acceptance of unsupervised travel and hotel stays. (*WEVA Policy*)
