**Dates to remember for**

2010-2011 Junior Tournament Sanctioning:  
Junior tournament sanctioning for the 2010-2011 season has begun. Two-day tournament priority sanctioning was held September 10-17, 2010, one-day tournament priority sanctioning runs from September 24-October 1, 2010, and open tournament sanctioning begins after October 1, 2010. More detailed information can be found [here](#).

**Attention All Club Directors:** All try-outs and practices must be sanctioned by WEVA in order to meet insurance requirements. A failure to do so will result in a fine and possible club suspension. Please use the **sanction try-out** and **sanction practice** forms to sanction your try-outs and practices. By the end of September, we will hopefully have the sanctioning of try-outs and practices done automatically on this web site like the sanctioning of tournaments. If you have any questions please contact Laura Schoenl, John Hughes, or Scott Seabridge.

**Libero Serve Rule:**  
WEVA has requested from USA the authorization to allow Liberos in our region to serve this coming season. This request was approved with some exceptions, see 2 & 3 below

### Certificate of Additionally Insured

Sometimes a facility requires that they or their employees be named as an additionally insured party on the certificate. This information is necessary for the processing of the insurance certificate.

Is a Certificate for Additionally Insured required? Yes  No

If YES, what are the names of the Additionally Insured parties:

*The insurance certificates will be mailed/forwarded to you from the WEVA Sanction Coordinator. Please allow enough time for the WEVA Sanction Coordinator to process your request with the insurance provider. You should allow a minimum of three weeks for processing, from the date an event is sanctioned, before the insurance provider will issue a certificate.*
