2010-2011 Junior Tournament Sanctioning:

Junior tournament sanctioning for the 2010-2011 season has begun. Two-day tournament priority sanctioning was held September 10-17, 2010, one-day tournament priority sanctioning runs from September 24-October 1, 2010, and open tournament sanctioning begins after October 1, 2010. More detailed information can be found [here](#).

Attention All Club Directors: All try-outs and practices must be sanctioned by WEVA in order to meet insurance requirements. A failure to do so will result in a fine and possible club suspension. Please use the **sanction try-out** and **sanction practice** forms to sanction your try-outs and practices. By the end of September, we will hopefully have the sanctioning of try-outs and practices done automatically on this web site like the sanctioning of tournaments. If you have any questions please contact Laura Schoenl, John Hughes, or Scott Seabridge.

Libero Serve Rule:

WEVA has requested from USA the authorization to allow Liberos in our region to serve this coming season. This request was approved with some exceptions, see 2 & 3 below
