

Q. Can you explain how to register the team for tournaments?

A. Go to the Webpoint on-line registration system (<https://webpoint.usavolleyball.org>) and sign in using your personal user name and password.
Go to the Club Administration tab / My Club.
Click on Team Rosters.
Click on the name of the team you want to register.
Click on the box that says select one to reveal form options.
Click on Jr. Tournament entry form.
Double-click on Search Rosters.
Print and send to Tournament director listed for the event with a check for entry fee.

If the event uses AES for its entries, you will need to go to their site (<https://www.advancedeventsystems.com/>) and register your club and teams with them.

For the six WEVA Region events, John Hughes is the tournament director. Mail your entry form and check to the region office. Make check payable to WEVA.
